

BABY GYPSY QUILT - 32" X 42"
40"

This kit contains Novelty fabrics: 4 $8\frac{1}{2}$ " squares and 32 $4\frac{1}{2}$ " x $8\frac{1}{2}$ " rectangles ("slices"). *+ Border fabric*

Start in the center by sewing the 4 squares into a four-patch (see illustration).

Sew 2 slices together (end-to-end) and add to the top of the four-patch. Do the same thing to the bottom.

Add a 3-slice strip to each side. Add a 3-slice strip to the top and bottom.

Add a 4-slice strip to each side. Add a 4-slice strip to the top and bottom.

The top is complete and should measure 32" x 42"
40"

Add the 3" Border.

Layer the quilt top, backing and batting. Quilt it as desired, but no less than 6" apart because baby quilts have to hold up to frequent washing. Sew on label.

Thanks for making this gift for a new Ottawa County baby (and mom).
