

WONKY DONKEY TUTORIAL - PART 2

Using guidelines on center square, mark vertical and horizontal cutting lines with pen or pencil.

Cut on marked lines with scissors or rotary cutter.

Rotate segments so squares are located on outside corners.

Sew block together with $\frac{1}{4}$ " seams, matching center seams.

To construct the quilt, first trim 20 blocks so they are all the same size. Lay out the quilt with 4 across and 5 down, mixing colors for a pleasing combination. Sew the blocks with $\frac{1}{4}$ " seams.
